Dear Fathers,

Father-Child Seven Lamp Workshop @ Triple Eyelid Katong Studio (MOX)

Fathers@Greendale is organizing an exclusive event @ Triple Eyelid Katong Studio (MOX) on 5 May 2017. This activity provides a unique opportunity for father-child bonding whilst experiencing up-cycled woodworking. The Seven Lamp is designed out of a single piece of pallet plank to minimize wastage. In this workshop, participants will learn to cut basic slot joint and learn about the dos and don'ts of woodworking. Additionally, participants will also learn to assemble different parts of a lamp and wire their own table lamp! All up-cycled products and furniture are acquired from discarded industrial waste from local job sites. There will be instructors to guide this hands-on workshop, and importantly you'll go home with a beautiful and useful lamp!
