Dear Parents/ Guardian,

GDPS Says No to Plastic

From **Term 2 onwards**, our school will be implementing the “**GDPS Says No to Plastic**” programme, where the school community will work towards reducing plastic waste and our reliance on plastic products. This programme aligns with our existing efforts to educate our pupils on environmental conservation and the harmful effects plastics have on the environment.

For a start, our school canteen holders will gradually stop providing plastic bags and serving their food in plastic wares and styrofoam boxes to all staff and pupils. For food safety reasons, pupils who have purchased cooked food from our canteen are strongly encouraged to consume them in the canteen, instead of packing them home. For snack breaks, the healthy snacks should be placed in a reusable container. Pupils should bring their own recycling bag when purchasing bulk items at our school bookshop.

We look forward to your support in this programme.

Thank you.

Mdm Ng Soh Hua
Principal
