Dear Parents/Guardian of P1-P5 pupils

ENHANCEMENTS TO SCHOOL UNIFORM AND PE ATTIRE

1. In 2016, we sought feedback from parents and staff on our school uniform and PE attire. To improve the comfort level and durability, we have worked with our vendor, My Uniform Shop, to review the material and design of our uniform.
2. The features of the new school uniform and PE attire are as follows:

(a)	Shirt/Blouse	<ul style="list-style-type: none">• Current school tie design added to the placket of the shirt/blouse• School crest sewn onto shirt/blouse• Collar pin and school tie are, therefore, not required• Collar changed to green
(b)	Skirt	<ul style="list-style-type: none">• Elastic waist band added to the back of skirt
(c)	PE Attire	<ul style="list-style-type: none">• Dri-fit material for PE T-shirt• T-shirt collar is changed to white (house colours are not required)• PE shorts are a darker shade of green to match the new T-shirt

See attached letter from My Uniform Shop for more details.

3. Please note that pupils can continue wearing their existing uniform and PE attire. The new designs will be made available for sale to pupils as and when stocks of the existing uniform and PE attire run low. We anticipate that stocks of all sizes will completely run low only in 2019. We appreciate your understanding and support.

Design of New School Uniform and PE Attire:

1. Shirt / Blouse

Shirt

Blouse

The shirt and blouse will remain as a tucked-out design. The current school tie design is added onto the plackets of the shirt and blouse so that students can save the hassle of putting on a separate tie. The collar is also changed from white to green. This makes it more resistant to dirt and sweat stains.

2. Shorts

Front

Back

The shorts design remains unchanged. It comes with 2 side pockets, 1 back pocket and adjustable waist flap and buttons.

3. Skirt

Front

Back

The skirt design is generally the same as the previous design. We have added an elastic waist band on the back of the skirt to make it more comfortable.

4. PE Attire

PE T-Shirt

PE Shorts

There will be no more house colour for the PE T-Shirt and the new material for the PE T-Shirt will be Dri-Fit. This type of material has a cooling effect and better breathability compared to cotton. The PE shorts will be changed to a darker green to match the new PE T-shirt.
