

Words from Our Alumni

LEANDRE HUANG
Class of 2018
currently studying in
SCHOOL OF THE ARTS (SOTA)

My 6 years in Greendale offered me a myriad of holistic experiences to allow me to grow and develop myself as a student and a leader, offering me opportunities such as joining the prefectorial board and participating in CCAs that I never expected myself to take part in. The guidance and encouragement of Greendale teachers spurred me to further my artistic passion and pursue my secondary education in School of the Arts (SOTA).

MUHAMMAD SHAZWAN BIN SHADRIN
Class of 2020
currently studying in
VICTORIA SCHOOL

When I joined Greendale, I thought that it would be ordinary and just like every other school. Then, I realised that it was different and that it was very enriching. I've grown to be a well-rounded person because the school has provided me with various learning opportunities. I especially enjoyed the CCAs! The teachers are empathetic and great at explaining concepts!

Greendale Primary and its teachers have allowed me to achieve success in my academics while instilling in me the values of a model student and leader. My experience in Greendale has taught me a multitude of lessons and has motivated me to always strive for the best.

NATIONAL JUNIOR COLLEGE (NP)

ARYSTAL LAI
Class of 2021
currently studying in
EDGEFIELD SECONDARY SCHOOL

One of the most wonderful and memorable experiences of my childhood was in Greendale Primary. Throughout these 6 years, my teachers have not only broadened my horizon but also instilled a positive attitude in me. Besides the development in my academics, Greendale allowed me to explore my interests and talents through a wide range Co-Curricular activities, which was where I forged lasting friendships. Hence, I can confidently say that the best part about Greendale is the people and immersive programmes. Greendale provided me with a platform to thrive and enjoy school life. I am proud to be a Greendalite and am appreciative of the six years of enrichment!

CHONG KE QI
Class of 2021
currently studying in
NAN CHIAU HIGH SCHOOL

During my 6 years at Greendale, the teachers always made an effort to check in with their students and ensure that they understand each chapter thoroughly. As someone who tends to struggle with Math and Science, I often required more extensive explanations than my peers. However, the teachers never hesitated to provide the additional guidance I needed. Their unwavering support and patience helped me grasp challenging concepts and achieve my academic goals. Overall, Greendale provided a positive learning environment where I felt safe to ask questions without fear of judgement.

Greendale has always been my second home, a home where I can truly be myself and explore my talents and interests. My teachers were always there for me when I needed help or support, answering any questions, providing a safe environment for me and my classmates. The inclusivity and close-knittedness of my school inspired me to reach greater heights. Looking back at my memories, I owe many of my achievements to the school, and the better person I have become is due to all my nostalgic experiences in Greendale.

绿苑小学

*A Journey
to the Stars*

Building Resilience, Achieving Excellence

Discovering the World

'The more curious a child is, the more he learns.'
We believe in nurturing our students' curiosity and communication skills. Our students' learning goes beyond the classrooms when they participate in the school's overseas and local learning journeys.

Hike at Coney Island

Malay Finesse Fiesta

Mid-Autumn Celebrations

Reaching for the Stars

We encourage our students to dream big, stay resilient, work hard and enjoy the journey. Opportunities are created for students to discover their strengths, realise their potential and showcase their talents during their 6-year journey in Greendale Primary School.

Programme for Active Learning (PAL) Sports & Games

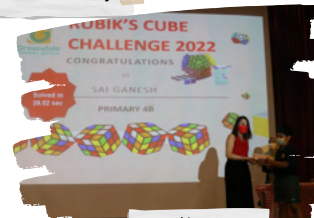

Water confidence test to prepare for Dragon Boating

Outdoor Cooking

Overseas trip to Kuala Lumpur

Rubik's Cube Challenge 2022

Tamil Language Fortnight

National Education Show

Making a Difference

Through projects and competitions, we empower our students to be confident and make a difference to society. They also learn to care for fellow students and to exercise social responsibility.

Eco-stewardship Activities

Spelling Bee Competition

Aesthetics Week

Seniors from Lion Befrienders receiving goody bags during the school's Chinese New Year celebrations

Visit to Old Folks' Home

Values in Action Project

Show of appreciation to SBS Transit bus captains & station staff

Outdoor Education at Jacob Ballas Children's Garden
